

ARCTIC CAT®
MORE TO GO ON.™

ARCTICWEAR & ACCESSORIES 07

2007 ACCESSORIES

When we say Arctic Cat gives you "More to Go On" we mean it. One glance at our lineup of 2007 Accessories and Arcticwear and you'll understand why. To help customize your wheeler for work or play, Arctic Cat offers a complete line of genuine Accessories specially designed to take full advantage of our award-winning Speedrack™ system. We've got it all, from tool holders and boxes, to gun scabbards and lay-down blinds, just add a pin and away you go. Additionally, we offer a well engineered mix of bumpers, plows, trailers, racks and bags to help your ATV meet every demand you place on it. New for 2007, we have an assortment of our exclusive Speedpoint™ pull behind attachments designed for landscaping and food plot preparation. Interested in hunting? Fit your ATV with our premium turn-key Remington Big Game package and you'll always be right on target. Additionally, Arctic Cat can help you light a night-time trail, protect your wheeler with a storage cover or keep your ATV running in tip-top shape with a line of genuine lubricants and maintenance extras. Performance minded tires and rims are available to enhance your riding style. And finally, we round out our accessory line with an array of helmets, goggles and Arcticwear clothing that are designed with you in mind. Mix and match from a wide assortment of custom Arctic Cat jackets, shirts, rain gear and sweatshirts designed for men, women and children.

SPEEDRACK™ SHELTER

SPEEDRACK RAPID BLINDS™ AND RAPID SHACK™

Arctic Cat's revolutionary SPEEDRACK Rapid Blinds and Rapid Shack give hunters/fishermen the most important tool they often lack: quick and easy mobility of their equipment and the protection of a blind/shack. Our unique clamshell design mounts easily and firmly on the front, rear, and side of your SPEEDRACK within seconds. The Rapid Blinds and Rapid Shack are protected with a color coordinated travel boot so you can go where the game is at. On location, you and your Arctic Cat ATV are fully enclosed in an internal framed blind/shack with enough room to move around out of weather and other elements. Constructed of heavy-duty super strong Cordura fabric measuring 89-inches high, 88" wide and 100" in length the Rapid Blinds™/Rapid Shack™ provides ample elbow-room for at least two people.

Lightweight and portable as can be. Tuck your cover inside this bag when it's not protecting your ATV.
4639-118 \$4.95

COVERS

42" ROUGH CUT MOWER*

Features a 14.5 HP OHV Briggs & Stratton engine with electric start for hassle-free operation. Height adjusts from 1.5" to 5". Dual 5.5 pound heavy-duty breakaway blades will cut up to two-inch sapplings. No tools are required to offset the mower from 0" to 23" in either direction, which makes it easy to re-position when going through gates, shed doors or mowing in tight spaces. Battery not included.

0436-832

\$1,799.95

250 LB SPREADER*

The 250 lb. rated spreader easily attaches to ATVs, has a 10' x 12' spread width and includes a raised flow control handle accessible from the ATV seat. Equipped with 15" x 6" pneumatic wheels with ball bearings and a 3/4" diameter axle, just pull the pin for free wheeling transport. Vinyl cover included.

0436-835

\$299.95

45 GALLON SPRAYER*

An adjustable 160" boom sprayer and a 15' hand-gun sprayer with a 3 gallon per minute output that's powered by a 12-volt/5 amp electric pump with fuse. Fitted with 18" knobby tread tires with needle bearings and grease zerks for higher speed transport and rough terrain. The Poly tank resists corrosion with a heavy duty steel frame construction.

0436-836

\$749.95

63" FINISH MOWER*

Turn your ATV into a finish cut mower. 14.5 HP OHV Briggs & Stratton engine features an electric key start with 5" anti-scalp wheels and heavy duty cast aluminum spindles. Height adjustments can be made from 1.5" to 4.5". Equipped with a simple spring loaded offset mechanism that ranges from 0" to 49", no tools are required to re-position the mower. Battery not included.

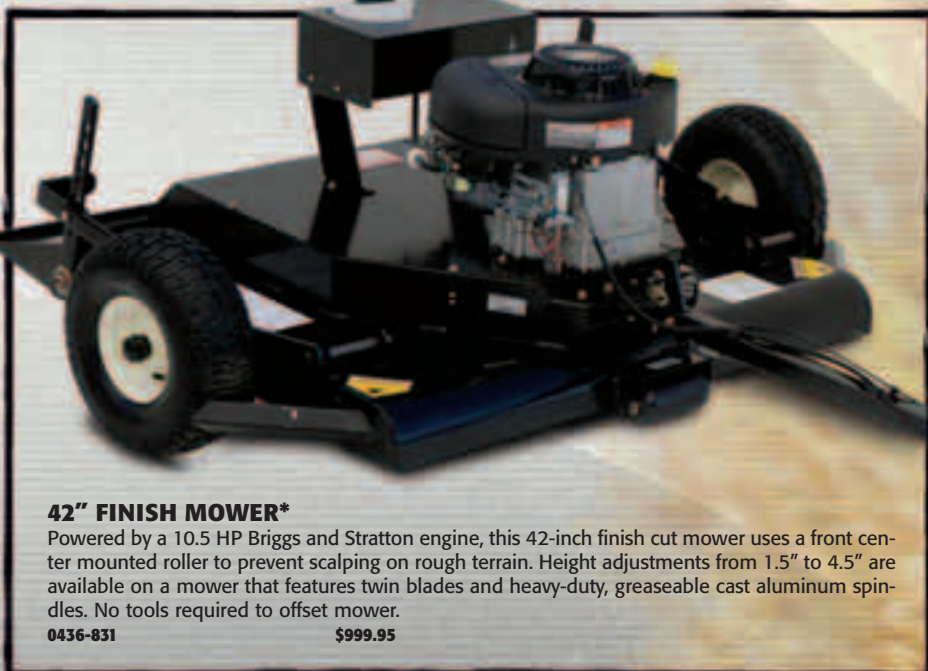

0436-830

\$1,999.95

HEAVY-DUTY BATTERY

This 20-amp-hour-rated battery has 275 cold-cranking amps. (Batteries required for Rough Cut and 63" Finish Mower). 8 1/2 in. L x 3 1/2 in. W x 6 in. H.

0436-183 \$89.95

42" FINISH MOWER*

Powered by a 10.5 HP Briggs and Stratton engine, this 42-inch finish cut mower uses a front center mounted roller to prevent scalping on rough terrain. Height adjustments from 1.5" to 4.5" are available on a mower that features twin blades and heavy-duty, greaseable cast aluminum spindles. No tools required to offset mower.

0436-831

\$999.95

PULL BEHIND ATTACHMENTS

SPEEDPOINT ACCESSORIES

*Additional shipping charges may apply.

SPEEDPOINT TANDEM DISC*

This Tandem Disc has 4 offset gangs with sealed bearings and 16 notched discs that really tear up the turf.

0436-932

\$869.95

SPEEDPOINT SINGLE DISC*

Compact disc, designed for maintaining weed control in previously worked ground.

0436-933

\$499.95

7-INCH CULTIVATOR SHOVELS

Put these on your Cultivator to get the extra dig.

0436-937

\$7.95

SPEEDPOINT CULTIVATOR*

Includes 7 adjustable/removable "S" tines. Remove a couple of tines to cultivate row crops or to keep those newly planted trees free of weeds. The "S" tines vibrate themselves clean of dirt and grass.

0436-931

\$429.95

SPEEDPOINT GAUGE WHEEL

Put these Gauge Wheels on your Tandem Disc or Cultivator to control the depth of your attachment. (Each).

0436-936

\$74.95

SPEEDPOINT DRAG HARROW*

Put the finishing touch on ground with this Drag Harrow. It levels furrows, ridges and is great for seed preparation. Three dragging positions.

0436-935

\$589.95

SPEEDPOINT MOLDBOARD PLOW*

If you want to turn some earth over, this 1-bottom plow will get it done. A coulter in the front to cut the sod and the moldboard lifts and turns the soil. Includes a rear gauge wheel.

0436-934

\$499.95

SWITCH KIT

Need a switch kit to put on your other ATV?

0436-938

\$69.95

SPEEDPOINT 3-PT HITCH*

This 3-point hitch attachment plugs into the 2" receiver and the SpeedRack. The 12 volt, self-contained actuator adjusts any attachment up or down with the flick of a switch. The actuator has 600lbs of force and travels at one inch per second, allowing you to put down pressure on the attachment. Easily attach a disc, cultivator or plow by backing into the attachment, secure with two pins and you're ready to go. (wiring and switch included).

ARCTIC CAT ATV 80W-90

HP-Gear Lube specifically engineered as an extreme-pressure, temperature-stable lubricant for typical ATV conditions. (For use in front and rear differentials.)

Quart

0436-901 \$7.49

2-CYCLE OIL

Arctic Cat ATV 2-cycle oil is a high quality lubricant specially formulated for Arctic Cat 2-cycle air-cooled engines. This oil exceeds the established standards of normal 2-cycle engine oils while providing superior wear protection to engine parts. It mixes easily with gasoline and provides rust and corrosion protection during long periods of non-use.

LEAVING A GOOD IMPRESSION™

Comparison percentages based on data available at time of printing. ATVs can be hazardous to operate. For your safety always wear a helmet, eye protection, and protective clothing. Never ride on paved surfaces or public roads. Never carry passengers; never engage in stunt driving; riding and alcohol/drugs don't mix and could cause injury or even death. Avoid excessive speeds and be particularly careful on difficult terrain. The Arctic Cat ATV may not be ridden by anyone under 16 years of age. Arctic Cat recommends that all riders take a training course, and that they read and understand their owner's manual before operation. For safety or training information in the U.S., call the ATV Safety Institute at (800) 887-2887. In Canada, see your dealer. Along with concerned conservationists everywhere, Arctic Cat urges you to "Tread Lightly" on public and private land. Preserve your future riding opportunities by showing respect for the environment, local laws, and the rights of others when you ride. Check the local state and/or provincial laws prior to using the Rapid Blind™ or Rapid Shack™. Do not shoot from or lean firearms or bows against the ATV.
