**Date:** March 10, 2003

**Product Line:** Snowmobile

**Bulletin No:** 2003-1-36 (Condition A)  
2003-1-37 (Condition B)

**Subject:** Driven Shaft Bearing/Driven Shaft

**Affected Models / VIN:**

All 2003 Bearcat Wide Track Models

Model No. S2003BCFWTUSS

Model No. S2003BCFWTOSS (International)

■ **NOTE:** Please note that there are two bulletins included with this notice. Each bulletin contains its own condition and solution. Be sure to read the information completely before submitting a claim. Bulletin 2003-1-36 applies to a driven shaft bearing that has not caused damage to the driven shaft but must be replaced. Bulletin 2003-1-37 applies to a driven shaft bearing that has been damaged and has caused damage to the driven shaft. An affected snowmobile will have only one condition; consequently, only one bulletin will apply per snowmobile.

**Condition A:** It has been determined that the existing driven shaft bearing on the affected models does not meet Arctic Cat standards and **must** be replaced.

**Condition B:** It has been determined that the existing driven shaft bearing on the affected models has sustained damage and has caused damage to the driven shaft.

**Solution A:** Replace the existing driven shaft bearing with new Driven Shaft Bearing (p/n 1602-099).

**Solution B:** If the driven shaft bearing is damaged and has caused damage to the driven shaft, replace the driven shaft bearing and the driven shaft with Driven Shaft/Bearing Update Kit (p/n 0637-259).

■ **NOTE:** All registered owners of affected snowmobiles will be sent a letter concerning this issue. They will be instructed to contact an authorized Arctic Cat snowmobile dealer to have the necessary service work completed.

**Parts:** Order an appropriate number of Driven Shaft Bearing (p/n 1602-099) through normal parts-ordering channels for **Condition A**. Order an appropriate number of Driven Shaft/Bearing Update Kit (p/n 0637-259) for **Condition B**.

Your dealership Parts Account will be charged and then credited upon receipt of a Warranty Claim Request form.

**Warranty:** A labor allowance of 0.5 will be paid per affected snowmobile for **Condition A**.  
A labor allowance of 1.7 hr will be paid per affected snowmobile for **Condition B**.
