IGNITION SYSTEM SEM AM5 BECOMES SEM AM7

We have replaced SEM AM5 with SEM AM7, in order to further improve the ignition energy. The new ignition system AM7 cannot be combined with ignition system AM5.

The following spare parts are valid when assembling the AM7:

E-module	501 81 27-01
Ignition coil	501 81 28-01
Short circuit lead	502 10 43-01
Lead ignition coil – E-module	502 10 44-01

The following spare parts are excluded when assembling the AM7:

E-module	501 63 29-02
Ignition coil	501 51 62-03
Cable clip	502 05 62-01
Screw	729 22 79-01
Screw	725 52 99-05

The new AM7 system is introduced on 244 RX from serial number 5090960.
