

MODEL 240 S/140 S

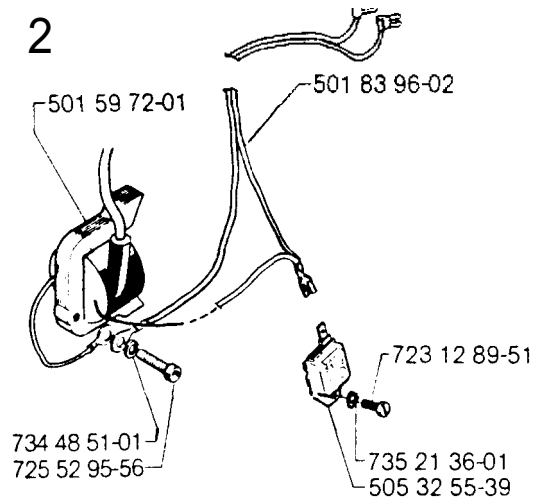

IGNITION SYSTEM – See service bulletin X 85.102-26

1. Ignition coil Kit (2-legged) 501 69 07-02 is excluded. The ignition coil is no longer in production.
2. Remaining parts in the kit are the same as for the model 44, according to the illustration below.
Compare with service bulletin 85.102 and the assembly instruction.
3. Ignition coil for the model 44 (3-legged) replaces the previous (2-legged) by cutting the upper leg off. See the illustration below.
