MODEL **281**

NEW CYLINDER AND PISTON

In order to improve the durability and the starting characteristics, a new cylinder and piston are introduced. Piston compl. is now available as a spare part only in one class instead of the previous two classes.

There is full interchangeability between the two designs of pistons.

<u>New Ref. No.</u>	<u>Description</u>	<u>Excluded Ref. No.</u>
503 50 29-01	Cylinder compl.	501 81 29-02
503 50 27-02 (AB)	{ Piston compl. A { Piston compl. B	501 91 77-02
		501 91 77-03

The change is introduced from serial number 7240698.
