

MODEL **5 0**

STOP SWITCH

A new type of stop switch has been introduced in our production.

The new switch has an integrated "STOP" -label. Therefore the glued "STOP" -label will be excluded.

The new switch is fastened with a screw.

Rebuilding kits for earlier manufactured saws will be available.

<u>New Ref. No.</u>	<u>Description</u>	<u>Excluded Ref. No.</u>
503 08 97-01	Stop switch	501 63 38-01
729 22 75-05	Screw	—
