MODELS Husqvarna 40 - Husqvarna 50

STARTER PAWL – FLYWHEEL

We have introduced new starter pawls in our production. This means that the same starter pawls can be used on the models 40 and 50.

Flywheel compl. will be the same for both models also.

The new parts fit the old models.

<u>New Ref. No.</u>	<u>Description</u>	<u>Excluded Ref. No.</u>
503 41 22-01	Starter pawl	{ 506 01 66-01 505 26 92-97
506 03 13-06	Flywheel compl.	{ 506 03 13-04 506 03 13-01

The change is introduced from serial number	model 40	6480001
	model 50	6441917
