

MODEL **40,45**

#### TANK COMPL.

In order to simplify fueling of the saw, a new tank compl. is introduced. It has a larger fuel tank hole and the oil tank hole moved forward.

Introduced from serial number	40	8310101
	45	8180710

This means the following part changes:

<u>New Ref. No.</u>	<u>Description</u>	<u>Excluded Ref. No.</u>	<u>Remark</u>
503 49 82-02	Tank compl.	506 01 03-02	1
503 10 52-02	Choke lever	503 10 52-01	2
506 03 16-04	Chain catcher	506 03 16-02	2
506 02 75-05	Fuel tank cap	506 02 75-04	2
503 49 25-01	Chain guide plate	506 01 52-01	2
503 10 59-04	Starter housing	503 10 59-01	—
503 10 69-02	Air conductor	503 10 69-01	—
503 48 65-01	Stop switch	501 81 52-01	1
506 01 37-02	Short circuit lead	506 01 37-01	—
503 44 06-01	Ground lead	506 02 55-01	—
506 01 35-02	Heat shield	—	—

#### Remarks:

1 = For saws manufactured before serial number 8310101 (40), 8180710 (45), the following spare parts are available.

Spare parts kit, tank Ref. No. 503 59 25-02  
 Spare parts kit, stop switch Ref. No. 503 44 04-01  
 See SB tab 3 in the cylinder binder.

2 = Remains as spare parts.
