

## MODEL 262

### Clutch washer

A new washer is introduced. This washer has a bigger diameter, which means a better wear resistance.

The washers are fully interchangeable.

New Ref. no.	Description	Excluded Ref. no.
503 52 12-02	Clutch washer	503 23 01-03

The washer is introduced in production from serial number 0390638.
