## Model 244 RX/GX

### Cylinder/piston

Our supplier of cylinders for the 244 RX/GX has now ceased production. We are replacing this cylinder with an equivalent cylinder and piston.

Note that the replacement piston will not fit the original 244 cylinder. It is necessary to replace the cylinder complete with piston.

New Ref. No.	Description	Excl. Ref. No
501 67 24-71	Cyl. assy.	501 66 13-71
501 67 88-01	Piston	{ 501 66 15-02 (A) 501 66 15-03 (B)
503 28 90-05	Piston ring	
		504 41 10-04
