

## Models 250PS, 250R/RX, 235R, 232R, 225R/RD/RJ/L/LD

### Locking tool for clutch drum

We have developed a service tool to simplify removal of the clutch drum.  
The tool fits all the above models.

In the case of the 250PS the tool must be used together with an allen key, ref. no. 502 52 13-01 or ref. no. 502 52 14-01.

New ref. no.	Description
502 52 16-01	Locking tool
