Model 225/232/235

Carburettor Walbro WT 235

To provide a better low speed mixture and acceleration at the 225's, the Walbro WT 235 is recalibrated.

The nozzle closest to cylinder is moved backwards at carburettors with date code G5 and up. This concerns all WT 235.

Ref number is the same: 503 28 15-05.

Introduced from serial number:	225	536 0913
	232	536 0913
	235	536 0913
