Model 3120XP

Fuel tank cap

The tank cap's thread on the fuel tank has been changed to bring it into line with other products. This means that the same fuel tank cap, as other saws, is now used.

New Ref. No.	Description	Excl. Ref. No.	Remark
501 81 96-02	Tank cap compl.	503 14 38-02	*
503 26 30-17	O-ring	740 44 07-00	*

* remains for earlier models.

Introduced from serial number: 3120XP 510 0004
