SB, Fuel hose, 1998-10

All fuel hoses are now made from a new material with higher tensile strength. The new fuel hoses are marked with the following code:

| | | | | | | | | | | |
|------|---|-------|---------------------|---|---|----------------------|---|---|---|---|
| 98 | / | 05 | E | * | / | 1 | 2 | 3 | 4 | 5 |
| Year | | Month | Modification letter | | | Manufacturing series | | | | |

The part number is unchanged.
