MODEL : 61

SUBJECT: Muffler recall units made in 1989-90

**For Internal Use Only**

This repair will be used instead of replacing the units.

Units made in 1989-90 will not allow the new muffler to be fitted with the existing top cover. In case you run into this use **KIT # 531 03 05-49**. It consists of a muffler for a Model 51/55 and special bracket. This is all you need to repair these units all existing parts will work with this kit.

Kits are no charge. File claim under CPSC recall.
