

For Husqvarna Parts Call 606-678-9623 or 606-561-4983

MODEL: Riding Mowers

SUBJECT: Steering Kit Part # 1532 20 66-68

For Internal Use Only

In some case were the rework in 1997 was done on the steering box it has not been successful in all the units. All though it works it still may have excessive play in the steering. To correct these you will need to replace the steering box assembly with Kit #**1532 20 66-68**. Warranty will pay for this work, 1 hour labor. The claim must be filled out complete with all information and using only the part number listed in this bulletin. Parts are sent at No Charge.

This is not a across the board it is only on units that did not hold up after the first rework.

This will be handled by the Technical Service Specialist in the support teams.
