SB, 340, 345, 350, 351, 346, Clutch springs, 2000-11

The material specification and tolerances of the clutch springs have been modified to make them stronger. The modified springs were introduced at the end of March. The springs are now painted black to distinguish them from the weaker springs.

Black springs in production from serial number:	346XP, 351, 350, 345	20003800001
	340	20003900001
