English 1 (1)

SB, 357 XP, 359, Metric screws, 2003-11

The screws that fasten the carburettor to the cylinder have been replaced to improve the strength of the screw joint reinforcement. Metric screws replace the self-tapping (PL) screws. New and old parts are fully interchangeable.

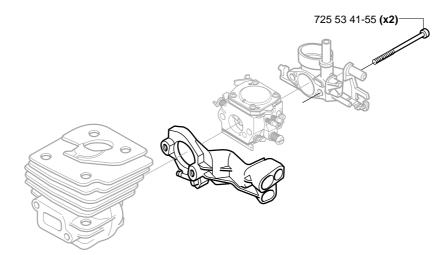

Introduced from serial number:

357XP 034200401 359 034200901

New part no. 725 53 41-55

Description Screw MC6S Excl. part no.
