SB, 357 XP, 359, Chain catcher kit, 2004-05

The crankcase has been reinforced to prevent it from cracking if the chain comes off.

Brought into production from serial no: 357XP 034700001
 359 034700001

A chain catcher kit has also been introduced in order to protect the crankcase on engines with serial numbers earlier than those stated above.
