MODEL 39 R

SILENCER SAN DIMAS

The model 39 R is now approved by the USFS (United States Forest Service).

In order to rebuild clearing saws, which already are being used in the field, the following spare parts are needed:

<u>Ref. No.</u>	<u>Description</u>
502 12 56-01	Silencer compl. FF
502 12 57-01	Silencer half, front FF
502 11 45-02	Heatshield compl. FF
