

**MODEL 268**

## NEW IGNITION MODULE

In order to better fit against the flywheel (diameter 114mm) the model 268 receives a new unique ignition module.

New Ref. No.	Description	Excluded Ref. No.
503 62 02-01	Ignition module	506 02 72-01 (remains as a spare part)

The ignition modules differ from each other by the 114 mark on the Ref. No. 503 62 02-01, according to the illustration below.

The change is introduced from serial number 268-9440169
