MODEL **42**

FLYWHEEL

In order to improve the starting function and to reduce the vibrations a new lighter flywheel is introduced in our production. It is previously introduced on the model 242.

New ref. no.	Description	Excluded ref. no.
503 50 53-02	Flywheel compl. SE	501 63 26-01

The change is introduced in our production from serial number: 1230398
