

MODEL 66

NEW CYLINDER AND NEW SPACER

A new cylinder and a new spacer with belonging parts are introduced in order to co-ordinate with the model 268 K, according to the following:

New Ref. no.	Description	Excluded Ref. no.	Remark
503 61 10-71	Cylinder compl.	503 44 82-71	New
* 501 80 66-02	Spacer	503 49 24-01	268, R
* 503 49 69-01	Screw, carburettor	503 49 69-02	268, R
* 503 61 09-01	Sealing collar	501 68 64-01	New, R
* 501 29 64-02	Gasket, carburettor	501 29 64-03	268, R
* 501 80 68-03	Gasket, spacer	501 51 19-02	268, R
	Screw, spacer	503 20 21-12	R
501 52 26-07	Gasket kit	501 52 26-05	New, R

R = Remain as spare parts

The change is introduced from serial number: 421349

NOTE!

Cylinder compl. in the old design Ref. no. 503 44 82-71 will be excluded as a spare part. When changing the cylinder on saws with lower serial number than 421349 all the parts marked with a * above must also be changed.
