

MODELS 281/288

NEW AIR FILTER, HEAVY DUTY TYPE

On some versions of the models 281/288 a new air filter fitted for extreme "dusty" conditions is introduced.

The air filter is cleaned as usual and can preferably be washed in fuel mixed with oil.

New Ref. no.	Description	Excluded Ref. no.	Remark
503 55 12-71	Air filter compl.	503 61 76-02	R
503 61 76-03	Kit compl. cylinder cover included	503 61 76-01	

R = Remains as a spare part during a transitional period only.
