New silencer SA

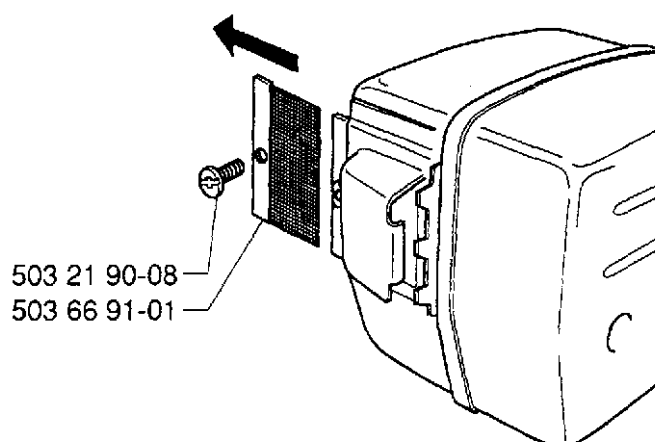

In order to improve the durability and to eliminate damage on the chain brake handguard, a new silencer with a fixed exhaust deflector is introduced. The new design also means that only the spark arrester screen can be changed.

New ref. no.	Description	Excluded ref. no.
503 59 92-05	Silencer compl. XP SA	{ 503 59 92-01
		{ 503 59 92-03
503 59 92-06	Silencer compl. SA	{ 503 59 92-02
		{ 503 59 92-04
503 66 91-01	Spark arrester screen	

Exhaust deflector ref. no. 503 55 32-01 and spark arrester screen ref. no. 503 40 56-01 remain as spare parts. The two spark arrester screens are not interchangeable.

NOTE! The change above is only applicable for the new design of the model 61.
