

Model **394**

## Clutch

An improved clutch is introduced in our assembly.

The clutch has the following advantages:

- Less slipping
- The same clutch spring as on the model 3120
- A protection over the spring in order to prevent damage on the clutch cover

New Ref. No.	Description	Excl. Ref. No.	Remark
503 70 15-01	Clutch compl.	503 47 19-01	
503 14 51-01	Spring (3120)	503 47 18-01*	

\* Remains as a spare part for previous design

Introduced from serial number: 4140162
