

Model 3120XP

Fuel tank cap

The tank cap's thread on the fuel tank has been changed to bring it into line with other products. This means that the same fuel tank cap, as other saws, is now used.

| New Ref. No. | Description | Excl. Ref. No. | Remark |
|--------------|-----------------|----------------|--------|
| 501 81 96-02 | Tank cap compl. | 5031438-02 | * |
