

## 254XP/257/262XP

### New fuel bracket

To prevent wear on the fuel hose/tank a new rubber bushing has been fitted to the fuel tank.

New Ref. No.	Description
503 73 58-0	Bushing fuel tank

Introduced from serial number	254XP	442 0001
	257	441 1604
	262XP	442 0711

The rubber bushing can also be fitted to earlier models by drilling up the hole for the fuel hose to 8 mm (0.315"). Fit the rubber bushing/fuel hose.
