**Subject:** MOTION CONTROL HANDLE EXTENSION KIT

**Effected Model Numbers:** All Husqvarna Turf Care Zero Turn Riding Mowers

---

**Service Information:**

Husqvarna has developed a motion control handle extension kit for zero turn riders. This kit will raise the motion control handles to make unit operation for the big or tall person much more comfortable. This kit contains two extensions, instructions, and all necessary fasteners for easy installation.

**Parts Information:**

Motion Control Extension Kit, **P/N 539106775**.

This kit is available **ONLY** as an option. It cannot be ordered pre-installed on zero turn whole goods.

**Warranty Information:**

Because this is a product improvement option for a limited application, warranty for kit cost and installation **WILL NOT** apply.
