

## Engine Parts List #1

| Ref # | Part Number | Qty | Description                                                                    |
|-------|-------------|-----|--------------------------------------------------------------------------------|
| 1     | 34922A      |     | Cylinder (CI liner)(3-5/16")(Incl.2,2 0 & 72)                                  |
| 2     | 27652       |     | Pin, Dowel                                                                     |
| 15B   | 650494      |     | Screw, 6-40 x 5/16"                                                            |
| 15    | 30699C      |     | Rod Assy., Governor (Incl. 15A & 15B)                                          |
| 15A   | 30700       |     | Yoke, Governor                                                                 |
| 16    | 33454       |     | Governor Lever Assy.                                                           |
| 17    | 29916       |     | Clamp, Governor lever                                                          |
| 18    | 650548      |     | Screw, 8-32 x 5/16"                                                            |
| 19    | 33857       |     | Spring Assy., Extension (Incl. 19B)                                            |
| 20    | 32630       |     | Seal, Oil                                                                      |
| 25    | 29536       |     | Blower Housing Baffle (Without electric starter knockout)<br>(Use as required) |
| 25    | 35256A      |     | Blower Housing Baffle (With electric starter knockout) (Use<br>as required)    |
| 26    | 650561      |     | Screw, 1/4-20 x 5/8"                                                           |
| 30    | 35226       |     | Crankshaft (Incl. 108 & 109)                                                   |
| 35    | 29826       |     | Screw, 10-32 x 3/4"                                                            |
| 36    | 29918       |     | Lockwasher, #8 E.T.                                                            |
| 37    | 29216       |     | Locknut, 10-32                                                                 |
| 37A   | 30322       |     | Nut & Lockwasher, 8-32                                                         |
| 38    | 29642       |     | Ring, Retaining                                                                |
| 40    | 34860A      |     | Piston, Pin & Ring Set (Std.)(3-5/16" )                                        |
| 40    | 34861A      |     | Piston, Pin & Ring Set (.010" OS)                                              |
| 40    | 34862A      |     | Piston, Pin & Ring Set (.020" OS)                                              |
| 41    | 34863       |     | Piston & Pin Ass'y. (Std.)(3-5/16")(I ncl.43)                                  |
| 41    | 34864       |     | Piston & Pin Ass'y. (.010" OS) (Incl. 43)                                      |
| 41    | 34865       |     | Piston & Pin Ass'y. (.020" OS) (Incl. 43)                                      |
| 42    | 34866A      |     | Ring Set (Std.) (3-5/16" Bore)                                                 |
| 42    | 34867A      |     | Ring Set (.010" OS)                                                            |
| 42    | 34868A      |     | Ring Set (.020" OS)                                                            |
| 43    | 27888       |     | Ring, Piston Pin retaining                                                     |
| 45    | 32591C      |     | Rod Assy., Connecting (Incl. 46, 47 & 49)                                      |
| 46    | 650662C     |     | Bolt, Connecting rod (2 pieces)                                                |
| 47    | 650662C     |     | Bolt, Connecting rod (2 pieces)                                                |
| 48    | 34034       |     | Lifter, Valve                                                                  |
| 49    | 34242       |     | Dipper, Oil                                                                    |
| 50    | 34143       |     | Camshaft (MCR)                                                                 |
| 60    | 33273A      |     | Extension, Blower housing                                                      |
| 65    | 650128      |     | Screw, 10-24 x 1/2"                                                            |
| 69    | 35262       |     | * Gasket, Flange                                                               |
| 70    | 33626B      |     | Cyl.Cover (Incl.71,75,80,179,180,220, 221)                                     |
| 72    | 27642       |     | Plug, Oil drain                                                                |
| 75    | 33625       |     | Seal, Oil                                                                      |
| 80    | 31845       |     | Shaft, Mechanical governor                                                     |
| 81    | 30590A      |     | Washer, Flat                                                                   |
| 82    | 30591       |     | Gear Assy., Governor (Incl. 81)                                                |
| 83    | 30588A      |     | Spool, Governor                                                                |
| 84    | 29193       |     | Ring, Retaining                                                                |
| 86    | 650833      |     | Screw, 1/4-20 x 1-3/16 (Use as requir ed)                                      |
| 87    | 650832      |     | Screw, 1/4-20 x 1-11/16" (Use as requ ired)                                    |
| 89    | 32589       |     | Key, Flywheel                                                                  |
| 90    | 611092      |     | Flywheel (3 Amp)                                                               |
| 92    | 650815      |     | Washer, Belleville                                                             |
| 93    | 8116        |     | Nut, Hex                                                                       |
| 100   | 35135       |     | Solid State Assy.                                                              |
| 101   | 610118      |     | Cover, Spark plug                                                              |
| 102   | 650872      |     | Stud, Solid state mounting                                                     |

| Ref # | Part Number | Qty | Description                                                                          |
|-------|-------------|-----|--------------------------------------------------------------------------------------|
| 103   | 650814      |     | Screw, Torx T-15, 10-24 x 1"                                                         |
| 108   | 29783       |     | Pin, Crankshaft gear (Only serviceable when gear is pinned to crank.)                |
| 109   | 33245       |     | Gear, Crankshaft                                                                     |
| 119   | 34923A      |     | * Gasket, Cylinder head                                                              |
| 120   | 34030A      |     | Head, Cylinder                                                                       |
| 125   | 27878A      |     | Exhaust Valve (Std.) (Incl. 151)                                                     |
| 125   | 27880A      |     | Exhaust Valve (1/32" OS) (Incl. 151)                                                 |
| 126   | 34035       |     | Intake Valve (Std.) (Incl. 151)                                                      |
| 126   | 34036       |     | Intake Valve (1/32" OS) (Incl. 151)                                                  |
| 127   | 650691      |     | Washer (Do not use with No. 6021A screw.)                                            |
| 128   | 650690      |     | Washer, Belleville (Use as required)                                                 |
| 129   | 650727      |     | Screw, 5/16-18 x 1-3/4 (Use as required)                                             |
| 130   | 6021A       |     | Screw, 5/16-18 x 1-1/2" (Use as required, but do not use No. 650691 washer.)         |
| 130   | 650711      |     | Screw, 5/16-18 x 1-5/8" (Use as required) (Can use 6021A but discard 650691 washer.) |
| 130   | 650694A     |     | Screw, 5/16-18 x 2" (Use as required)                                                |
| 131   | 650737      |     | Screw, 1/4-20 x 1/2" (Use as required)                                               |
| 131   | 650738      |     | Screw, 1/4-20 x 5/8 (Use as required)                                                |
| 131A  | 650713      |     | Screw, 5/16-18 x 5/8"                                                                |
| 133   | 650890      |     | Washer, Internal Lock                                                                |
| 135   | 33636       |     | Resistor Spark Plug                                                                  |
| 139   | 33369       |     | Bracket, Governor gear                                                               |
| 140   | 650836      |     | Screw, 10-24 x 1/2"                                                                  |
| 149A  | 35862       |     | Seal Assy., Intake valve                                                             |
| 150   | 27881       |     | Spring, Valve                                                                        |
| 151   | 32581       |     | Cap, Lower valve spring                                                              |
| 169   | 27896A      |     | * Gasket, Breather                                                                   |
| 170   | 28423       |     | Body, Breather                                                                       |
| 171   | 28424       |     | Element, Breather                                                                    |
| 172   | 28425       |     | Cover, Breather                                                                      |
